

FIU | FLORIDA
INTERNATIONAL
UNIVERSITY
MEMORANDUM

March 9, 2017

Dear FIU family,

It's time to share the story of what it means to work at our FIU. We are honored to be participating in The Chronicle of Higher Education's "Great Colleges to Work For" program once again!

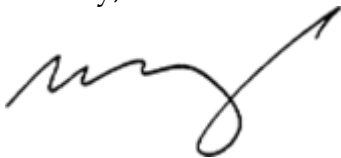

Thanks to you, last year we achieved the "Great Colleges to Work For" Honor Roll status. This distinguished national accolade recognizes standout institutions for creating exceptional work environments! It is even more meaningful because it comes from YOU.

Beginning Monday, March 13, 600 eligible FIU faculty, administrators, and staff will be randomly selected to participate in the survey. It will be distributed by ModernThink LLC, a private research and consulting firm focusing on workplace excellence. If you receive the email invitation to participate, please share your sentiments about the university you have helped shape! You will be representing your colleagues, and our university. Having a strong participation rate is necessary to achieve this accolade.

We know you take pride in FIU, and for that, we thank you! Don't miss out on the opportunity to continue to position FIU as an employer of choice. If you have any questions, please contact Trudy Fernandez, Director, HR Relations at 305-348-0101.

I know we can earn the "Great College to Work For" recognition again! Let's go!

Sincerely,

Mark B. Rosenberg
President
