

MEMORANDUM

February 8, 2012

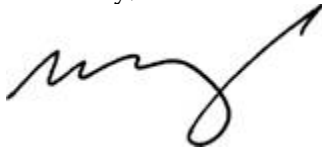

Dear FIU Community,

FIU is working on a report that evaluates the goals and objectives in the current FIU Campus Master Plan and identifies issues affecting the physical growth and development of the university (i.e. housing, parking, classroom space, etc.).

Because of the importance of the Master Plan, we would like to ensure that the FIU community, including students, faculty and staff, has an opportunity to participate in the process. Below please find a survey through which you can provide your comments and suggestions. Your input and participation will be of great value toward updating the 2010-2020 FIU Master Plan.
