

**MEMORANDUM**

June 20, 2011

Dear FIU family:

Please join me in congratulating our Model United Nations team for an exceptional performance at this year's national competition in New York City.

Competing among 183 delegations from around the world, Team FIU received an Outstanding Delegation award. And for the first time in FIU history, every delegate won an individual award.

I encourage you to take a moment and watch a mini-documentary chronicling their experiences and their pursuit of perfection. The video can be viewed through the following link:

With the leadership of School of International and Public Affairs Director John Stack and FIU MUN Program Director Ray Hernandez, FIU's Model UN program has become one of the most successful in the United States. This is the latest example of our students' achievement and their Worlds Ahead spirit!

Thank you, Team FIU.

Sincerely,
