

MEMORANDUM

September 8, 2015

Dear FIU Family:

FIU is dedicated to providing awareness, education, and support for your personal health and well-being. We are proud of our faculty and staff wellness program, Worlds of Wellness, through which we have been able to offer more opportunities for physical activity, healthier food options, tobacco prevention/cessation and stress management.

Now we're ready to re-invigorate and strengthen the program by building on these mileposts and encouraging greater participation in our wellness initiatives. You can help!

We need your suggestions to rename the wellness program to match the goals and spirit of our FIU community. We're looking for a name that aligns more closely with FIU's strategic focus, BeyondPossible2020! Please share your suggestions by clicking [Name FIU's Wellness Program](#). Help us build our FIU health and wellness brand!

The winning name will be announced during the 2015 Benefits Fair on October 29, 2015! Please contact our new Wellness Program Manager, Nathan Burandt, if you have any questions or need additional information about FIU's wellness initiatives. Thank you for doing your part to make sure FIU is Worlds Ahead in its commitment to the health and wellness of our faculty and staff.

Sincerely,

Mark B. Rosenberg
President
