Dear Faculty and Staff:

As our FIU community continues to mourn the death of Kendall Berry, we have come together in our sorrow to support his family at this moment of loss. As an engaged member of our community, we ask that you help keep Kendall's memory alive. The most significant way for us to help now is to offer our prayers and our resources. In doing so, we have established a Kendall Berry Memorial Athletic Scholarship Fund. We ask that you consider making a donation online at [giving.fiu.edu](http://giving.fiu.edu).

A junior in the College of Education, Kendall came to FIU from Haines City, FL and was a running back on our football team, exceptionally talented on and off the field. In the short time he was at FIU, he made his mark on our community. Kendall's death has been devastating for the FIU family, and we hope that everyone who has been touched by this loss will celebrate Kendall's dedication to FIU by supporting the scholarship fund in his name.

Please join us in extending our heartfelt condolences to the Berry family and honoring Kendall's memory.

Sincerely,

Mark B. Rosenberg
