

# Presidential Salute

Florida International University

October 25, 2013

Dear University Community,

Please join me in recognizing Paige Johnson for her dedication and commitment to delivering excellent service to the FIU community. Paige began her career at FIU on January 9, 2006 as a student assistant, and currently serves as the Senior Academic Advisor for the School of Journalism & Mass Communication (SJMC). She is also a proud alumna of our FIU, where she earned a bachelor's degree from the International Relations Department in 2007.

Paige exemplifies the passion, drive and commitment that is vital in creating a *Worlds Ahead* experience for our FIU community. "She will drop all that she is doing to assist a student, a colleague or a visitor that needs assistance," shares her nominator, Sarah Anderson, Senior Secretary in SJMC. Paige has also been recognized for her strong support and leadership as an Igniter, encouraging her coworkers to get involved. [Meet Paige](#) and you will understand her passion for students and our great university. We are proud to have Paige as part of the FIU Family!

I look forward to learning of the next candidate for the Presidential Salute. If you know someone deserving of this recognition, please let us know. To submit your nomination, please [click here](#).
