Dear University Community,

Please join me in recognizing Mr. Rene Fernandez for going the extra mile in providing quality service to the FIU community. Rene is the Assistant Director of Research Programs and Services and has been with our Division of Research since February 2007. He has oversight for the operation of facilities in which animal care and use programs are conducted by our investigators and researchers at the University, and through his impeccable work ethic, he has transformed the quality, the efficiency and the security of those programs.

Please join me in recognizing Rene for his dedication and commitment to delivering outstanding customer service to our researchers and many constituents. We are proud to have Rene as part of the FIU *Worlds Ahead* Family!

I look forward to learning of the next candidate for the Presidential Salute. If you know someone deserving of this recognition, please let us know. To submit your nomination, please [click here](#).
