

Presidential Salute

Florida International University

June 13, 2012

Dear University Community,

Please join me in recognizing Yanet Diaz for her commitment to delivering excellent quality service to the FIU community. Yanet joined the FIU family on September 28, 2007, and has made a commendable difference as a Custodial Worker with Facilities Management.

Yanet has been described as someone who is conscientious, efficient, and always willing to go above and beyond the call of duty. Her dedication to ensure our students, faculty and staff enjoy a pleasant and safe environment is consistently evident. "In the Chemistry Department, we work hard to maintain a safe environment. Ms. Diaz is amazingly helpful to all in the Chemistry Department." shares her nominator, Palmer Graves, Associate Chair of the Department of Chemistry.

We are proud to have Yanet as part of the FIU Worlds Ahead Family! To watch a short video about Yanet and the difference that she makes at FIU, please [click here](#). I look forward to learning of the next candidate for the Presidential Salute. If you know someone deserving of this recognition, please let us know.
