

# Presidential Salute

Florida International University

March 30, 2012

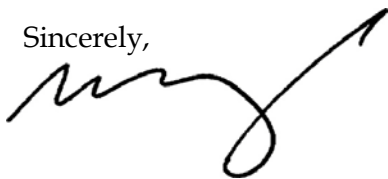

Dear University Community,

Please join me in recognizing Julie S. Escarilla for her outstanding efforts and commitment to delivering excellent quality service to the FIU community. Julie joined the FIU family in December 2006 on a temporary basis with the College of Nursing and Health Sciences, and has been promoted since then on three occasions. She currently holds the position of Coordinator of Administrative Services for her College, and is a two-time alumna of FIU with a Bachelor's degree in Business Administration, as well as a Master's Degree in Higher Education Administration.

Julie has received a record seven nominations from her colleagues. Her supervisor, Victor Martinez, Director of Budget and Operations, shares the following: "Julie's unwavering spirit of service excellence makes a world of difference with our faculty, staff and students. We are very proud to have her on our team. Julie's dedication to serving the FIU family is commendable, and her work ethic makes it a pleasure to work with her every day!"

We are proud to have Julie as part of the FIU *Worlds Ahead* Family! I look forward to learning of the next candidate for the Presidential Salute. If you know someone deserving of this recognition, please let us know. To submit your nomination, please [click here](#).

Sincerely,

Mark B. Rosenberg  
President
