

Presidential Salute

Florida International University

April 8, 2011

Dear University Community,

Please join me in recognizing Maribel Silva for going the extra mile in providing quality service to the FIU community. Maribel has worked at FIU since 2005 for our Center for Diversity in Engineering and Computing. As a temporary employee, and through her due diligence and persistence, she was able to save the center hundreds of dollars in the purchase of simple student calculators through fierce negotiations among various vendors. The savings allowed the Center to provide mathematics technology to greater numbers of students attending the pre-college summer academy program than would have otherwise been possible.

It is determination and commitment from faculty and staff members such as Maribel's that is commendable. Please join me in recognizing Maribel for her commitment to delivering outstanding customer service. We are proud to have Maribel as part of the FIU *Worlds Ahead* Family!

I look forward to learning of the next candidate for the Presidential Salute. If you know someone deserving of this recognition, please let us know. To submit your nomination, please [click here](#).
