

MEMORANDUM

July 3, 2018

Dear FIU family,

Today's announcement by the Trump administration regarding the role of race and ethnicity in college admissions is likely not to have an impact on FIU's admissions process. Our process follows Florida law, which already prohibits the use of race in admissions decisions. We remain committed to providing access to higher education for students of a variety of socio-economic, educational and cultural backgrounds. FIU mirrors our community; diversity is a natural and integral part of who we are.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark B. Rosenberg', with a long, sweeping flourish extending upwards and to the right.

Mark B. Rosenberg
President
