

MEMORANDUM

April 5, 2011

Dear faculty and staff:

On Thursday, April 14 we will be meeting to discuss the implementation of our Worlds Ahead Strategic Plan.

I would like to thank so many of you who have worked hard on our 5-year Worlds Ahead Strategic Plan. For those of you who have been less involved in its development, this Town Hall meeting is an opportunity to start thinking about how each and every one of us can contribute to the success of this plan and bring forward your comments and questions.

The Worlds Ahead Strategic Plan website has been updated with the final version of the plan which I hope you will review before the Town Hall meetings. If you would like to email me before next Thursday, please send your comments to presmail@fiu.edu and use the subject line "Strategic Plan."
