

MEMORANDUM

TO: Members of the University Community  
FROM: Mark B. Rosenberg, President  
SUBJECT: Student Employment Week Celebration  
DATE: April 5, 2010

The excitement is building!!! For the first time, FIU will join an elite group of colleges and universities around the nation to celebrate "Student Employment Week", April 12<sup>th</sup> - 16<sup>th</sup>, and award the "2010 SEOTY" (Student Employee of the Year Award). This award will be bestowed upon a student employee nominated by their department who is Worlds Ahead and best embodies service excellence, dedication, and whose academic achievements remain stellar.

During this week, the National Student Employment Association, encourages universities to participate in "Student Employment Week" by sponsoring events to recognize students who are seeking their academic degree and have chosen their school to gain invaluable work experience.

FIU employs over 1800 students as Student Assistants or through the Federal Work Study program, and we want to say "Thank You" to them. We encourage departments to take student employees to lunch, send flowers, decorate their work area, let them know how much you appreciate what they do for your department and our University.
