MEMORANDUM

May 30, 2014

Dear FIU family:

It’s time to put our Panther pride on display and show the world how FIU is truly Worlds Ahead. Our FIU will once again be participating in The Chronicle of Higher Education, “Great Colleges to Work For,” one of the largest and most respected workplace recognition programs in the country.

We need your help!

This is our chance to showcase FIU, our impact in our community, our diversity, our unity and our sense of family! Your participation and feedback is extremely valuable to our university. You represent our eyes and ears. Through your involvement, you can help us understand some of the issues we need to address, which can lead to the development of new programs as well as changes to relevant practices.

We were honored by this recognition in 2011; it is our time to once again demonstrate the power of the blue and gold.

On Monday March 16, 2015, 600 of our FIU faculty, administrators, and staff will be randomly selected to participate in the survey that will be distributed via email by ModernThink LLC, a research and consulting firm focusing on workplace excellence.

If you receive the invitation, please take a moment and complete it.

Your answers will be factored into an overall score that will help determine whether or not we will be recognized as a “Great College to Work For.” Remember, that FIU will not be given any information that would enable us to trace survey data back to any one individual.

To find out more, please visit: www.ChronicleGreatColleges.com. If you have any questions please contact Trudy Fernandez at 305-348-0101.
Thank you to all our faculty and staff for all that you do for our institution. It is because of your hard work that FIU is able to achieve its Worlds Ahead accomplishments. Without you, there is no FIU!

Let them hear us roar!

Sincerely,

Mark B. Rosenberg
