

**MEMORANDUM**

TO: University Community  
FROM: Mark B. Rosenberg, President  
DATE: September 23, 2010  
SUBJECT: Worlds Ahead Strategic Plan Town Hall Meeting

I invite you to join Provost Douglas Wartzok, members of the Strategic Planning Committees and me for a discussion of FIU's new strategic plan.

As you know, dedicated teams have been working for months to address the four strategic themes (arts, environment, global, and health) and three university-wide strategic foundations (finance, infrastructure, and student success) of our Worlds Ahead Strategic Plan.

It is now time to share the work they have done so that we can incorporate university community feedback as the strategic planning process continues to move forward.

Please plan to join us next week for this very important exchange.

**Thursday, September 30, 2010**  
**9:00-10:00 a.m.**  
**Graham Center Ballrooms, MMC**

The meeting will be broadcast live on the internet. If you are not able to make it in person, you may tune in from a computer anywhere.

To view the webcast please visit [webcast.fiu.edu](http://webcast.fiu.edu). During the meeting we will take questions from the audience as well as via email. You may submit your questions to [presmail@fiu.edu](mailto:presmail@fiu.edu). Please be sure to include your name and department in your message and make the subject line "Strategic Planning."

Thank you. I look forward to seeing you next week.
