

MEMORANDUM

February 7, 2020

Dear FIU family,

Did you know that since its launch nine years ago, the Ignite Campaign has supported hundreds of student projects and countless members of the university community? This campaign has raised more than \$1.5 million for First Generation Scholarships! Your donations have funded books and travel scholarships for students and assistance for staff who have needed a helping hand while struggling through personal difficulties.

In that spirit of giving, we know we can do even better this year! Since we launched the Ignite Campaign, you've always stepped up and given back, and I know that we can count on you to continue supporting our FIU and the Next Horizon campaign.

Please join us for the kick-off of our 2020 Ignite Campaign and learn more about how you can support the FIU projects and causes that are important to all of us.
